## 2024 AASCF NOVICE Cheer Rules

<b>PYRAMIDS</b>	
<i>Please note IASF define a pyramid as "Two or more connected stunts." If a stunt is only connected by a person or people on the ground it will not meet the pyramid definition.</i>	
<b>A. GENERAL</b>	Must follow stunt and dismount rules and allowed up to 2 high; Top person must receive primary support from a base unless legal as a release transition; Released transitions may not come in contact with other stunt/pyramid release moves; Required catchers/spotters must be stationary, must maintain visual contact with the top person throughout the entire transition, and may not be involved in any other skill or choreography when the transition is initiated; Primary weight may not be borne at second level.
<b>B. STRUCTURES</b> (Single based are not allowed above waist level. Required bracer(s) must be connected to top person by initiation of skill and remain in contact throughout skill).	Prep level single leg requires hand-arm/hand-arm connections with both arms braced by two top persons at prep level or below. Exception: One of the required hand-arm connections may be made with an additional base on the ground. That person must have both feet on the ground and be attentive to the top person. The other connection must be with a top person at prep level or below. Prep level bracers must have both feet in the bases' hands unless in shoulder sit, flat back, or straddle lift. <b>Two leg extended stunts not allowed.</b>
<b>C. NON-RELEASED TRANSITIONS</b>	<b>TWISTING:</b> Must follow stunt rules. <b>INVERSIONS:</b> Must follow stunt rules.
<b>D. RELEASED TRANSITIONS</b>	Not allowed other than dismounts.
<b>E. OVER/UNDER</b> Stunt, pyramid or individual over/under a separate stunt, pyramids or individual.	Arms and legs allowed.
<b>DISMOUNTS</b>	
<b>A. GENERAL</b>	Multi-based cradles require 2 catchers and a spotter with at least one hand-arm supporting waist to shoulder region of top person.
<b>B. DISMOUNTS</b>	Straight pop downs, basic straight cradles. NO waist level cradles, sponge tosses or dismounts from above prep level in pyramids.
<b>TOSSES</b>	
<b>A. GENERAL</b>	Not allowed.
<b>B. TOSSES</b>	Not allowed including waist level cradles and sponge tosses.
